

**REMARKS**

Claims 1 - 4 remain in this application. Claims 1 - 4 are amended herein to clarify the invention, and to address matters of form unrelated to substantive patentability issues. For example, reference numerals are removed, as the elements recited in the claims are not considered limited to specific corresponding structures in the drawings.

The application is amended to place the application into proper conformance with U.S. patent practice.

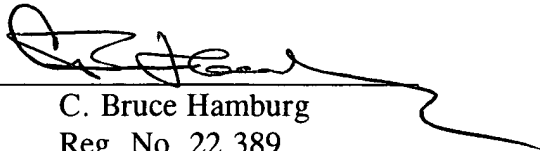

A replacement abstract is provided to ensure conformance with U.S. filing requirements.

The claims are amended to conform to U.S. practice requirements.

In light of the foregoing, it is respectfully submitted that the application is in proper form for allowance of all claims and notice to that effect is earnestly solicited. Please charge any fee deficiency or credit any excess payment to Deposit Account No. 10-1250.

Respectfully submitted,

Jordan and Hamburg LLP
